Subject: AM2017/51 Overtime for casuals

Dear Mr Furlong,

We refer to the matter above.

The Australian Services Union has an interest in the proper application of the *Labour Market Assistance Industry Award 2020* (‘**the Award’**).

On 24 August 2021, HR Legal wrote to the Fair Work Commission concerning the public holiday rates of pay for casual employees covered by the Award.

As the concern has recently come to our attention, we request time to consider our position on the matter.

We respectfully request that the matter is listed for a Conference prior to a determination.

Regards,

Corey Rabaut
