Dear Deputy President,

**Re: AM2018/13**  
**s.158 - Application to vary or revoke a modern award**

My apologies for the late nature of this request, however the Civil Contractors Federation has only very recently become aware of the abovementioned application from the Traffic Management Association of Australia.

The Federation has Members employing people in traffic management and as such we seek the Commission's leave to join this matter and also to appear by videolink from the Commission in Sydney on **10:00 am Wednesday, 9 May 2018.**

Please contact me with any queries in relation to this matter.

Kind regards,

Cameron Spence
