OFFICIAL

Dear Ms Crowe,

On 13 January 2021 the Professional Golfers Association of Australia Limited (PGA) made an application to the Commission to vary the *Registered and Licensed Clubs Award 2020* and the *Amusement, Events and Recreation Award 2020*. The application is made under s.160 of the FW Act to remove ambiguity, uncertainty or correct error.

Specifically the application seeks to replace the words "Golf Trainee" with the words "PGA Associate" wherever it appears in each of the awards.

On 15 January 2021 Commissioner Bissett issued a [statement and directions](#) in relation to the application. The directions required the PGA to file with the Commission any submissions and evidence in support of its application by 5 February 2021 with any submissions opposing the application to be filed by 26 February 2021.

Despite having made the application the PGA has failed to provide any further information to the Commission in relation to the application.

The Commissioner would appreciate advice from the PGA as a matter of urgency if it continues to press the variation sought and, if so, if it intends to file any further material.

Kind regards,

**Felix Ferris**  
Associate to Commissioner Bissett
