*This is the number of postal votes admitted to further scrutiny as a percentage of the number of employees on the Roll of Voters (the number of voters who voted).

The further scrutiny has been conducted. The table below provides the results for each question.

In support of reaching an enterprise agreement with your employer, do you endorse the taking of any and all protected industrial action against your employer which is authorised by this ballot, separately, concurrently, and/ or consecutively, in the form of:
