

Modern Awards Review 2023-24  
Arts and Culture Sector  
(AM2023/21)

LPA identifies the following errors in the *Live Performance Award 2020 (Award)* which it seeks be corrected pursuant to s 160 of the *Fair Work Act 2009* to remove ambiguity and/or uncertainty.

**1. 41.2(f)(vi)**

LPA identifies that this clause of the Award was simplified from the 2010 Award however it appears the words identified in red were inadvertently omitted. The clause currently reads:

*The provisions of clause 41.2(f) of this shall not apply to an archival and/or recording as defined.*

It should include the words in red and read:

*The provisions of clause 41.2(f) of this **Award** shall not apply to an archival and/or **reference** recording as defined.*

**2. Schedule A – Classification Definitions – A.4.1 Production and Support Staff Level 4 (b)**

It appears that the reference to Level 4 in this clause is a typographical error and should be replaced with a reference to Level 3. The clause currently reads:

*An employee at this level performs work above and beyond the skills of an employee at Level 4 and to the level of the employees' training:*

It should read:

*An employee at this level performs work above and beyond the skills of an employee at Level **3** and to the level of the employees' training:*
