RE File Number AM 2014/ 242 - Real Estate Award 2010 - Model casual conversion

Clause as per [2017] FWCFB 3541.

Dear Commission member

I write in reference to the above matter and in particular the Exposure Draft of the Real Estate Industry Award 2015, proposed clause 5.4, wherein the Commission seeks feedback on the proposed model casual conversion clause.

I advise that the Association supports the inclusion of the casual conversion clause into the final award, in the terms set out in the Full Benches decision on this matter in [2017] FWCFB 3541 at paragraphs [381] – [382].

Yours Sincerely
