We refer to the above matter.

Interested parties were directed to file submissions in reply on the technical and drafting issues arising out of the group 3 decision [2017] FWCFB 5536 by 4:00pm on Friday 24 November 2017.

Regrettably, unforeseen workload demands mean that that the AMWU will likely be unable to finalise its submissions in reply by 4pm 24<sup>th</sup> November. We respectfully request an extension to file and serve our submissions in reply by Tuesday 28<sup>th</sup> November 2017.

We thank the Commission for its consideration of our request.
