RE: AM2014/263 - Children's Services Award

Dear Commissioner

Business SA wishes to bring to the Commission's attention the following matters regarding the 17 February 2017 versions of both the Technical and Drafting and Substantive Variations Summary of Submissions for the Children's Services Award 2010.

Business SA notes that item S8 of the Summary of Substantive Variations was withdrawn by Business SA in our 29 September 2016 submissions¹. Further, Business SA submitted this item would be better dealt with under the examination of technical and drafting matters and we note this is not reflected in the 17 February 2017 Summary of Substantive variations nor the 17 February 2017 Summary of Technical and Drafting Issues.

Business SA also notes the 17 February 2017 Summary of Substantive Variations incorrectly refers to 23.4(e) rather than 24.4(e).

We also note our withdrawal on 29 September 2016 of items S18 and S27 which are also not reflected in the 17 February Summary of Substantive Variations.
