Dear Justice Ross,

4 yearly review of modern awards – Group 4 awards

1. The Hair and Beauty Australia Industry Association (HABA) refer to the above matter and further to the Statement and Directions of 26 August 2016, confirms that the modern award it has interest in is the *Hair and Beauty Industry Award 2010* (AM2014/271), which sits in Group 4F.
2. Since the time of HABA's original claim submitted to the Fair Work Commission on 2 March 2015 through Australian Business Lawyers & Advisors Pty Ltd, our office has undergone a major change in key staff and are now seeking representation in this matter from the Australian Industry Group.
3. Finally, HABA seeks the Commissions granting of an extension of two (2) weeks to the initial direction, as per the Statement and Directions of 26 August 2016, to lodge a short submission confirming substantive claims still being pursued in respect to the Hair and Beauty Industry Award 2010, as we are undertaking a revision of our claims and the extension will enable HABA to lodge the required information by 4pm on Friday, 14 October 2016.

Thank you in advance for your consideration of our request.

Regards,

Adrian Boothman
