Dear Ms Victoria Fijalski,

We respond to the Directions of 14 February 2017. We thank the Commissioner for the opportunity to be heard.

We have reviewed the outstanding items (13, 24 and 42) notified in the 06 February 2017 correspondence to the AWU and advise we will not be pressing these items.

The AWU do not seek to make further appearances in proceedings for this Award and rely on our submissions to date.

Kind regards,
