**Subject:** AM2014/285 - Social, Community, Home Care And Disability Services Industry Award 2010; 4 yearly review of modern awards

Dear Associate,

The Australian Services Union refers to the amended Directions granting an extension to parties to file submissions and draft determinations on claims that parties are pursuing in the four year review of the Social, Community, Home Care And Disability Services Industry Award 2010 to Monday 10 April 2017. Following a teleconference this morning the parties have finalised settled clauses for variation to the Award, subject to the Australian Services

Union seeking the views of our members on the proposed clauses. The ASU notes that final agreement from parties on the drafts of the clauses was not reached till this morning. Accordingly the ASU requests an extension of time for the filing of submissions and draft determinations to Monday 8 May 2017 to enable the views of members to be sought.

The ASU has sought the views of the other Parties in seeking this extension.
