To Whom It May Concern

We refer to the current review of the *Supported Employment Services Award 2010 (Award)*. Bedford notes the proposal that the Bedford Employee Wage Assessment Tool (**Bedford Tool**) be removed from the list of approved wage assessment tools contained in clause 14.4(b) of the Award.

Bedford consents to the Award being varied to remove the Bedford Tool from the list of approved wage assessment tools. However, this consent is subject to the variation taking effect at the same time as any other amendments to the Award, which arise from the review of approved wage assessment tools, and any transitional arrangements also applying to organisations using the Bedford Tool.
