Subject: RE: AM2016/3 Proposed Helicopter Aircrew Award

Dear Mr Nguyen

During the conference held on 1 August 2016 Vice President Hatcher requested the AMWU advise His Honour when the parties would be ready to report back in matter AM2016/3 re the making of an award to cover Helicopter Aircrew. No correspondence has been received and His Honour requests an update on the status of the matter.

Can you please confirm whether a further conference is required and if so, when the parties will be ready to report back.

Regards
