Subject: Health Professionals and Support Services Award 2010 - Directions: Cross-Examination of Witnesses and Scheduling; Matter Number: AM2016/31 (and Nurses Award)

Dear Sir,

I represent the Dental Hygienists Association of Australia (DHAA) in this matter.

Witnesses

At the hearing before Deputy President Gooley on 21 June 2017, the parties were directed to advise you of witnesses they wished to cross-examine. At this stage, the Dental Hygienists Association of Australia wishes to cross-examine only one witness, the HSUA's **Mr Alex Leszczynski** of 351 William Street West Melbourne. However, as several parties indicated an intention to submit witness statements at the last Directions hearing before you, and have not done so as yet, the DHAA reserves its rights to cross-examine further witnesses.

Scheduling

I respectfully request consideration of the parties' scheduling request, made to Deputy President Gooley on 21 June 2017, to have the Health Professionals and Support Services Award matter listed for the week of Monday 11th December (and for the Nurses Award to be in the week set aside in November.)

I further respectfully request scheduling of submissions and witness evidence regarding the HSUA's claim re *Schedule C - List of Common Health Professionals* (whether indicative or exhaustive), on Thursday 14th December or Friday 15th December. The DHAA's involvement in this matter relates solely to opposing this claim. It is proposed that for scheduling purposes, this matter could be excised as a stand-alone issue from the rest of the HPSS Award proceedings. Its subject matter could be dealt with logically at the end of the rest of the proceedings, and it is therefore amenable to specific scheduling on a single day.

Regards
