**AM2016/31**

**Four yearly review of modern awards**

**Health Professional and Support Services Award**

Dear Associate,

I write in relation to the above matter and the correspondence below.

The HSU seeks a further extension for its reply submissions, as a number of unexpected pressing matters have arisen this week. This includes the recent Fair Work Commission Statement [2020] FWCFB 1760 relating to variations of awards in relation to Covid-19, for which the deadline for submissions is Monday 6 April.

Accordingly, the HSU respectfully requests a further week's extension until Friday 10 April 2020.

We note that granting this further extension should not prejudice other parties, as it will still allow for a fortnight in order to provide a final reply, due to the extended final deadline.

Regards,

**Rachel Liebhaber | National Industrial Officer | HSU National**
