Dear Tim

**Equal Remuneration Case
C2013/5139 and C2013/6333**

We confirm that we appear on behalf of the Respondents – Association of Independent School across Australia in Response to the Application filed by the Independent Education Union, which is now consolidated with the Application filed by United Voice & Anor.

We note that the Full Bench order the parties to file submissions on the legislative and conceptual framework relevant to the conduct of the proceedings by 4.00pm Monday 24 February 2014.

Due to time constrain and having to confer with other Association of Independent School across Australia we have not filed a submission in the required time period and seek an extension to file such submission by 4pm on Friday 28 February 2014.

We have not at this stage sort the consent of the other parties to the proceedings or sent them a copy of this application. We are happy to do so if required by your Honour.

We look forward to your determination on the application. We are happy to appear in person if that is deemed appropriate.

Kind Regards

Lyndon Burke
