Dear President,

Casual terms award review 2021

The ANMF makes this submission in response to the Statement and Directions issued on 23 April 2021.¹

Concerning question 3 of the Discussion Paper² published by the Commission on Monday 19 April 2021, the casual definition with respect to the *Nurses Award 2010* found in Attachment 1³ is correct.

The ANMF also notes that the definition in the *Nurses Award 2010* is replicated in the draft *Nurses Award 2020* which is currently in the process of being finalised under the 4 yearly review of modern awards.⁴

In response to all other questions in the Discussion Paper, the ANMF supports the detailed submission of the Australian Council of Trade Unions.

Yours faithfully,
Daniel Crute
Federal Industrial Officer
