

## **Research reference list—Working from home**

Modern Awards, Economics and Research Section, Fair Work Commission

22 June 2021

# Table of contents

- 1 Australian research ..... 1**
  - 1.1 Materials released during COVID-19 ..... 1
  - 1.2 Materials released before COVID-19 ..... 4
- 2 International research ..... 5**
  - 2.1 Material released during COVID-19 ..... 5
  - 2.2 Material released before COVID-19 ..... 12

The Research reference list is published as a central depository of references to research papers that parties may choose to draw on in their submissions. The papers selected for publication in the Research reference list have been compiled by staff of the Commission and do not reflect the views of Commission Members on the quality or relevance of the references published. The Research reference list should not be considered to be exhaustive and additional research papers may be referenced by parties in their submissions.

## 1 Australian research

### 1.1 Materials released during COVID-19
