**Subject:** AWU Further Submission on Junior Rates

Dear Commission Staff,

I refer to the junior rates conference before Hampton C on 15 May 2019 and the Panel's request for further submissions to be provided by midday Tuesday 21 May 2019.

The AWU has prepared a brief (4-page) further submission on this issue.

The AWU seeks an extension of time from the Panel in which to file this submission today. The extension is sought as employer and union parties were not able to reach a joint position on changes to the repair, services and retail stream of the *VMRSR Award 2010* (this was confirmed shortly before midday Tuesday). In addition, the AWU has needed to consult with other union parties before finalising this submission.

A copy of the further submission is **attached** to this email for filing should an extension be granted.

Kind regards,
