

**BEFORE THE FAIR WORK COMMISSION**

**AG2022/5615**

**Application by Justin Gusset – Application to terminate the *Apple Retail Enterprise Agreement 2014***

**Reply Statement of Brenda Harris**

I, Brenda Harris, make the following statement are true based on my knowledge and belief, unless otherwise indicated.

1. On 22 March 2023, I made a statement (**First Statement**) in these proceedings. I continue to rely on that statement.

**Statement of Reshaad Bader**

2. I have read the statement of Reshaad Bader made on 8 June 2023. Where I do not specifically comment on a matter in that statement, it does not mean that I agree with it.
3. I refer to paragraph [80]. Reshaad says that I have not specifically raised the issue of breaks between shifts with him. That is true. However, I have raised concerns when they occur with other managers Josh Alberts (who is no longer at the Brisbane store) and Tanner Icrim. I am not really one to complain, I just do it.
4. I refer to paragraph [81]. I also worked without a 12-hour break on 21 and 22 April, 24 and 25 March, and 2 and 3 June 2023.
