	AFAP	Reply-6/12/16		Agrees to change in reference	Pg 2	
10	AIG	<u>Sub-30/6/16</u>	4.1	Coverage Change to clause has substantive effect and does not make provision simpler or easier to understand. Reference to 'air pilots industry' and the exclusion of other modern awards are particularly problematic.	Paras 172-183	Parties agreed that the existing coverage clause should remain. See <u>Transcript-9Feb17</u> [PN57]
	QANTAS	Reply-21/7/16 Reply-6/12/16		Agree with AIG that clause should not be amended. Introduction of concept of 'industry' in occupational award may result in ambiguity and uncertainty. Does not agree with clause being amended	Para 3 Pg 2

13	AFAP	<u>Sub-30/6/16</u>	9	Casual employment – definition of terms 'flying hour' and 'flight time'. In response to the question raised by the Commission: Unnecessary to define 'flying hour'. 'Flight time' should be defined as under clause 3.19 of the pre-reform Pilots' (General Aviation) Award 1998 (AP 7922332)	Page 3	Parties to confer and advise Chambers as to the position on proposed definition by C.O.B 3 March 2017. 	QANTAS	<u>Reply-21/7/16</u>		'flying hour' and 'flight time' are interchangeable terms. No issues with AFAP proposed definition of 'flight time' but same definition should also be used in Aircraft cabin Crew Award.		
	QANTAS	<u>Sub-3/3/17</u>		Propose definitions for 'flying hour' and 'flight time'.		
	AFAP	<u>Reply-8/3/17</u>		Maintains position as outlined previous submissions regarding definition of 'flight time'.

15		<u>Sub-30/6/16</u>	15.4	If this clause seeks to mirror the requirements in CASA regulation, then it should be checked against the new CAO 48.1. The provisions listed here, while not applying to aerial application, appear to be more restrictive than CAO 48.1 for certain operations. AAAA suggests that as CASA has the carriage of fatigue management issues, and the risk of the provisions of this award creating inconsistencies between two requirements is significant. Serious consideration should be given to simply referring to the requirements of the relevant CASA regulations rather than recreating them here.	Page 16	Withdrawn. See <u>Transcript-</u> <u>9Feb17</u> [PN100]

16		<u>Sub-30/6/16</u>	19.1(a)	Frequency of payment Is this exemption meant to apply to the whole of Part 19? If so, it should be placed above 19.1 rather than in it and thereby limited only to 'Frequency of Payment' issues.	Page 20	Withdrawn. See <u>Transcript-</u> <u>9Feb17</u> [PN102]

17	AAAA	<u>Sub 30/6/16</u> Reply 6/12/16	21	Accident payThere seems to be a contradiction introduced herebetween Clause 21.2 and 21.4.Clause 21.2 is clearer in its clarification regarding theexclusion of commission for aerial application operations.The reference to aerial application in 21.4 could simply beremoved.Clause should not be amended as proposed	Page 24	Withdrawn.
