Dear Vice President,

We refer to the email from your Chambers dated 28 September and the correspondence from the National Union of Workers dated 6 October.

The NUW have sought the opportunity to make further submissions in this matter in order to respond to materials filed by the employer parties.

Should the Commission be of the mind to grant this request, we respectfully submit that the opportunity to file reply submissions to those filed in August should be extended to all the parties in this matter.

Regards,  
Kimberly
