Date: Thursday, 18 May 2017 11:19:27 AM

Dear Commissioner Roe

As you know, for the past several months, the CPSU, ASU and Ai Group have been engaged in discussions regarding the CPSU and ASU's proposed variations to the classification structures in the *Contract Call Centre Award* and the *Telecommunications Services Award*.

We advise that agreement has been reached between the CPSU, ASU and Ai Group on the attached amendments to the classification structure in the Exposure Draft of the Contract Call Centre Award, in settlement of the unions' claims. The parties have agreed that the classification structure in the Exposure Draft of the *Telecommunications Services Award* will not be amended.

We commend the proposed variations to the Commission, which we submit are consistent with the modern awards objective. Those changes are contained below this email and marked in yellow.

Yours sincerely

Kristin Barlow
