Dear Associate

Thank you for your email dated 21 July 2017.

The following issues remain outstanding:

Item	Issue	Status
13	Definition of term 'flight time'	Qantas is considering a revised definition proposed by the AFAP, and expects to respond and hold further discussions with the AFAP ahead of the proposed conference on 17 August 2017. We are hopeful the outstanding issues could be resolved at or ahead of the conference.
38	Annual leave common issue	Qantas has been developing further updated draft provisions for consideration by participating stakeholders, and expects to circulate these draft provisions and hold further discussions ahead of the proposed conference on 17 August 2017. We are hopeful the outstanding issues could be resolved at or ahead of the conference.

Please contact us if you have any queries.

Kind regards
