Dear Ms Adler,

Re: AM2016/23 Construction Awards

I refer to your email below.

I can confirm that **5.00pm Friday 15 September** is the correct submissions deadline. Amended directions will be issued in due course.

Regarding the timetabling of further submissions, if the parties have consulted with each other and are satisfied of an appropriate reply-submissions date, the Full Bench will consider making a further direction.

Kind regards,

Subject: Statement - AM2016/23

Dear Associate

I refer to the Statement of the Full Bench issued on Thursday 17 August ([2012] FWCFB 4239) in matter AM2016/23.

I note that paragraph 1 indicates a submission deadline of 5pm Friday 14 September, however the 14th of September is a Thursday. We would request clarification as to the submission deadline i.e. Thursday 14 September or Friday 15 September.

We also note that Friday 17 November has been reserved for hearing in the event parties indicate a preference that this take place. While we understand that coordinating the Full Benches availability may be difficult we would respectfully request that due to the availability constraints of HIA an alternative date be reserved prior to 17 November.

Alternatively, I would suggest that parties maybe minded to have these matters considered on the papers if Directions were issued contemplating a time frame for reply submissions in response to those submissions filed in September.

Kind regards

Melissa Adler
