Dear Associate,

AM2014/263 – Children’s Services Award 2010

I write in relation to the above matter and refer to the recent Full Bench decision¹ regarding the plain language re-drafting of tranche 2 awards and the Mention before his Honour on 11 September 2017.

We apologise that United Voice was not present at this Mention. On reading the transcript of proceedings, his Honour stated that he will ask the Award Modernisation Section to write to the non-attending parties asking them to confirm within 7 days which substantive matters they are pressing.²

United Voice has not received such correspondence. However, we wish to confirm the following substantive items United Voice will continue to press in relation to the *Children’s Services Award 2010*:

- S6
- S14
- S19
- S20
- S23
- S30

We withdraw item S16 in relation to a programming and administrative tasks allowance.

Regards,

Natalie Dabarera
