Subject: Attn Vice President Catanzariti - Matter AM2016/24 Social, Community, Home Care and Disability Services Industry Award 2010

Dear Vice President

I would like to appear at the hearing into this matter on Monday from Brisbane. The PFRA is not intending to be a party to this matter and is not acting in the role an employer organisation representing the views of members.

The PFRA's role is to act as a self-regulatory organisation for the day to day practice of face to face fundraising. The PFRA is also communicating to member organisations about this application to ensure that any members that wish to participate have sufficient information to allow them to do this. The PFRA's attendance would be in this capacity. The PFRA does not have a view with regard to the substance of the application made to vary coverage for the Award by Amnesty International, Oxfam and Greenpeace.

I hope that my attendance is satisfactory on this basis and please let me know if you would like any further information.

Your sincerely

Paul Tavatgis

Chief Executive Officer

Public Fundraising Regulatory Association

Street: Suite 19, Level 7, 320 Adelaide St, Brisbane
