**Subject:** RE: Information required before directions hearing - Supported Employment Services Award AM2014/286

Dear Associate

We refer to the email correspondence below in this matter.

We confirm that our clients wish to cross-examine the following witnesses:

<b>Witness</b>	<b>Estimated length of cross-examination</b>
Walter Grzentic	45 minutes
Sharon Dulac	45 minutes
Donald Greer	30 minutes
Robyn Smith	30 minutes

We do not require the other witnesses for cross-examination.

For completeness, we also make the following comments in relation to some of the other witness evidence:

- In relation to the statement of Professor McCallum, it appears to be a statement containing a legal opinion, which is effectively a submission about the operation of certain legislative provisions. We are content to deal with this via submissions.
- In relation to the statement of Brendan Ford, we reserve our rights to object to this statement on the basis that it is not reply evidence.

Please do not hesitate to contact me should you require any further information.

Yours sincerely

Dear Associate

We refer to the email below and the request for the provision of certain information by 5pm today.

Unfortunately our clients have not been in a position to meet that timeframe, in part due to the further statements having only been filed on Friday last week.

We will endeavour to provide the information requested as soon as possible tomorrow in advance of Wednesday's directions hearing.

We apologise for any inconvenience this has caused.

Yours sincerely,
