Re: Submission to the Fair Work Commission - AM2014/286 Supported Employment Services Award

Dear Sir/Madam

It has been brought to the attention of the Committee of Management (COM) of Waverley Helpmates Inc. (WHM), that AED Legal has made an application for an order from the Fair Work Commission (FWC) that requests owners of wages assessment tools to provide documentation on the use of those tools.

The FWC has invited the parties to provide any views including any opposition in relation to this application by no later than close of business on Thursday 7 September 2017.

WHM notes that it has been given very short notice of the application by AED to FWC. Should the FWC agree to the application from AED, WHM will provide the information requested but on the basis that they are provided with an acceptable timeframe in which to prepare such documentation.

Yours sincerely

Robert Dickens

On behalf of the Committee of Management
