Hi Lisa. MTA-SA can also confirm our position that the apprentice rates in clauses 11.9 (b) and 11.10 (b) in the exposure draft are no longer required on the basis that these rates are highly unlikely to have any existing application.

The Commission is also advised that amendments to clause 5 – Facilitative provisions, have been forwarded to the Union parties for examination. I understand that Sue-Anne Burnley (SDA) has been on leave and will return next week. So the parties should be in a position to hopefully finalise this particular clause by the end of next week.

With kind regards. Michael
