Dear Associate,

ACCI consents to the request. ACCI also makes a similar request for different reasons. ACCI has not yet achieved a common view amongst its members and needs further time to do this.

Dear Associate,

I write to request a short extension for the ACTU's submissions in both these matters, which are due currently on 1 June.

I am currently away overseas and do not return until 8 June. An extension until 13 June will give me chance to conduct some final consultations with our affiliates when I return. This date leaves the employer parties a week for their reply before the mention/conference on 21 June.

I have consulted with the employers about this proposed amendment to the timetable and AiG has indicated that it does not oppose the request. I have not yet heard from ACCI.

Many thanks for considering this request.

Yours sincerely,

Sophie
