Subject: Four yearly review of modern awards AM2016/15

Dear Associate,

At the mention on 11 September 2017, President Ross sought clarification regarding the SDA claims on public holidays, namely whether these claims were to be dealt with as part of these proceedings or dealt with by the public holidays full bench.

The two claims are item S26 for the Fast Food Industry Award and item S19 for the Hair and Beauty Industry Award in the Summary of Submissions attached to the Decision (4 yearly review of modern awards – Plain language re-drafting – Tranche 2 awards, AM2016/15) dated 28 August 2017.

The SDA advises that it will not pursue these two claims as part of these proceedings. The SDA reserves its right to pursue these claims before the full bench in the public holidays matter.

Regards,

Matt Galbraith
