Subject: RE: AM2016/32 - 4 yearly review of modern awards - Transport Industry Awards

Dear Associate to Senior Deputy President Hamberger

We represent the Waste Contractors and Recyclers Association of NSW (**WCRA**) in relation to the review of the Waste Management Award 2010 (**WMA**).

The correspondence from Mr Calver dated 19 January 2017, and the TWU's submissions and evidence referred to in that correspondence, appears only to relate to the *Road Transport (Long Distance Operations) Award 2010* and the *Road Transport and Distribution Award 2010*.

In the circumstances, WCRA does not wish to express a view in relation to Mr Calver's correspondence.

However we understand that the TWU has decided not to proceed with its applications for variations to the WMA in the 4 Yearly review, and intends to notify the FWC shortly.

As a result, it will be necessary for further directions to be made to vacate the listing dates currently allocated in respect of the review of the WMA.

We look forward to hearing from you after you have been notified by the TWU.

Regards

Martin Dunne
