Dear Ms Fijalski

I refer to the directions dated 25 September 2018 and the actions involved.

My apologies again for our regrettable failure to attend; unfortunately our in house counsel and only IR staff member Marianne Wells has left our employment suddenly for personal reasons, and we have been attempting to bridge the gap until the new in house counsel starts work on 3 October 2018. This is the reason for our non attendance.

Is it possible for me to seek the allowance by Commissioner Lee to permit us to have an extension of the 2 October 2018 deadline by one week? This would enable our new in house counsel to address the required submission in this case. It is unfortunate that we have had this gap in our staffing, as we are only have the one staff member with responsibility for this area of work.

I would be grateful if we could be granted this allowance at this difficult time.

Yours sincerely

Dear Victoria

I understand you were contacting us today about a teleconference – I apologise if we have made an error

Marianne Wells who was our in house counsel has left the organisation suddenly and in the rapid handover we did not note anything for today?

Do you have any information you could send me, we are awaiting the start of our new in house counsel on 3 October.

Regards
