OFFICIAL

Dear Ms Lo,

The Vice President advises that while a strict reading of the direction would mean submissions should be confined to the provisional view in [18], parties may also make submissions as to the quantum of the allowance if they wish.

Subject: 4 yearly review of modern awards—Children’s Services Award 2010 and Educational Services (Teachers) Award 2020 (Matters AM2018/18; AM2018/20)

Dear Associate,

4 yearly review of modern awards—Children’s Services Award 2010 and Educational Services (Teachers) Award 2020 (Matters AM2018/18; AM2018/20)

We write with reference to the above and further to the Statement dated 17 June 2022 (the ‘Statement’).

Paragraphs [18] and [19] of the Statement provides:

“[18] In the November 2021 decision, the Full Bench stated that it was “prepared to accept that the role of an Educational Leader is the same under both Awards”. It is our provisional view, that the allowance inserted into the Teachers Award by the Full Bench in AM2018/9 should be inserted into the Children’s Services Award so that persons undertaking the role of Educational Leader under each award have an equivalent entitlement.

[19] The issue of the translation of the quantum of the allowance is a matter which will need to be determined. Parties are requested to file submissions in relation to the provisional view above by 4:00 pm AEST on 15 July 2022. The matter will then be listed for further mention.”

The Fair Work Commission (‘FWC’) has invited submissions in relation to the provisional view by 4:00pm on 15 July 2022. We seek clarification from the FWC as to whether the submissions due by this Friday are in response to the provisional view at paragraph 18 only and not in relation to the issue of the translation of the quantum of the allowance.

Your sincerely,
