Subject: Group 4 Awards: Educational Services (Teachers) Award - Variations

Dear AMOD team,

EDUCATIONAL SERVICES (TEACHERS) AWARD

Reference is made to the Commission's statement of 1 October 2018 ([2018] FWC 6107). Consistent with our submission of 27 August, and previous submissions referred to therein, the IEU wishes to confirm the following additions to claims pressed in respect of the above award. They are as follows:

- A variation to the definition of "teacher" to ensure the award covers teachers employed as Directors
- A variation to the award to ensure teachers are only paid the quarter day rate when employed for less than two hours and, correspondingly, paid the half day rate when employed for less than 3.8 hours
- A variation to the award to cap, at 205, the number of days teachers in distance education can be required to teach.
