Dear Ms Ambihaipahar

I can confirm that the hearings were cancelled because there were no submissions filed about the substantive issues in the *Electrical, Electronic and Communications Contracting Award 2010*.

At this stage the Deputy President will not be issuing a statement however has notified Justice Ross that no issues have been raised. A statement may be issued in the future.

Kind regards

**Subject:** RE: AM2018/21–Electrical, Electronic and Communications Contracting Award 2010

Dear Associate,

I refer to my phone call this morning and the cancellation of the hearings set for next week regarding substantive issues for the Electrical, Electronic and Communications Contracting Award 2010.

Would the Commission be releasing a statement to outline if there are any substantive issues or if that there are no substantive issues raised by any parties?

Based on the material provided on the FWC website it would appear that no parties are pressing any substantive claims. However, I wanted to confirm with the Deputy President if this is the reason why the hearings were cancelled.

Kind regards

Ash
