Dear Associate

We write in relation to the above matter, and to the conference that is currently scheduled for 24 May 2021.

The relevant parties involved in this matter to date (CMIEG, Ai Group, AMWU, ETU, APESMA and CFMMEU – Mining and Energy Division) have been in discussions in an attempt to reach a consent position ahead of the conference with the Commission. These discussions remain ongoing, and we believe there may be some benefit in continuing these discussions prior to the scheduled conference with the Commission in the hope that we will come to that conference with a consent position.

To assist with this we seek, by consent, an adjournment of Monday's conference and respectfully request that the conference be relisted at a later date, either later during the week or at any stage in the following week.

We confirm that we have copied in all known parties to this email.

Kind regards

Eliza Sarlos
