Dear Associate,
Please bring the following to His Honour's attention.

The FAAA seeks to vacate the Directions in AM2020/3. The FAAA is very keen to proceed however the virtual shut down of the Aviation Industry and safety precautions, social distancing make it difficult to collect statements.

We are fully engaged in trying to save cabin crew's jobs, resources are fully expended on that objective.

I appreciate that the Commission may be keen to bring award modernisation proceedings to conclusion however seek your Honour's views on vacating the current Directions and reviewing conditions at the beginning of May, 2020.

Sincerely

Sally
