- 1.4 Schedule H—Definitions sets out the definitions that apply in this award.
- 1.5 Neither the making of this award nor the operation of any transitional arrangements is intended to result in a reduction in the take-home pay of employees covered by the award. On application by or on behalf of an employee who suffers a reduction in take-home pay as a result of the making of this award or the operation of any transitional arrangements, the Fair Work Commission may make any order it considers appropriate to remedy the situation.

- 2.3 The employer must ensure that copies of the award and the NES are available to all employees to whom they apply, either on a notice board which is conveniently located at or near the workplace or through accessible electronic means.

### 3. Coverage

- 3.1 This industry award covers employers throughout Australia who are engaged in the telecommunications services industry in respect of work by their employees in a classification in this award and their employees engaged in the classifications listed in clause 10—Minimum wage rates, of this award, to the exclusion of any other modern award.

- (j) No apprentice will, except in an emergency, work or be required to work overtime or shiftwork at times which would prevent their attendance in training consistent with the contract or training agreement.
- (k) Subject to clause 10.4(1), the period of apprenticeship will be four years, except where the period is varied with the approval of the relevant state or territory training authority.
- (l) Apprentices are required to serve an additional day for each day of absence during each year of their apprenticeship, except in respect of absences due to annual leave or long service leave. The following year of their apprenticeship does not commence until the additional days have been worked. However, any time that has been worked by the apprentice in excess of their ordinary hours will be credited to the apprentice when calculating the amount of additional time that needs to be worked in the relevant year.
- (m) **Apprentice minimum wages**
  - (i) Apprenticeship commenced before 1 January 2014 will be entitled to the percentage of the applicable adult weekly wage (in the case of part-time or casual employees the hourly rate) for their classification as set out in the table below:

- (ii)** For the purposes of this clause excess reasonable travel costs include the total cost of reasonable transportation (including transportation of tools where required), accommodation costs incurred while travelling (where necessary) and reasonable expenses incurred while travelling, including meals, which exceed those incurred in travelling to and from work. For the purposes of this clause excess travel costs do not include payment for travelling time or expenses incurred while not travelling to and from block release training.
- (iii)** The amount payable by an employer under this clause may be reduced by an amount the apprentice is eligible to receive for travel costs to attend block release training under a Government apprentice assistance scheme. This provision may be affected by [AM2014/300](#) – see [draft determination](#)

  - (iii) for a minimum of one and a half hours at the appropriate overtime rate where such work commences after midnight and before 5.00 am;

except where the overtime is continuous (subject to a meal break) with the commencement or completion of ordinary hours.

Provided that the employee will not be required to work the full half an hour or one hour or one and a half hours, as the case may be, if the work which the employer requires to be performed is completed within a shorter period.

- (c) Notwithstanding the above, where an employee has completed the job and finished work and is required to perform further work within the minimum period specified in clause 15.8(a) for that job, the balance of the minimum period for that job will be cancelled and the employee will only be paid up to the commencement of the next work period. The employee will then be entitled to be paid for a minimum of half hour, one hour or one and a half hours, as the case may be, for the next work period.
- (d) Overtime worked in circumstances specified in this clause will not be regarded as overtime for the purposes of clause ~~15.4~~ 15.5 where the time worked is less than three hours during the work period or each work period. #### 15.10 Rates not cumulative

The rates prescribed in this clause are in substitution for and not cumulative upon the loadings prescribed in clause 14—Penalty rates and clause 19—Public holidays.

### Part 5—Leave, Public Holidays and Other NES Entitlements

This annual leave provision may be affected by [AM2014/47](#) – see [draft determination](#)

## 16. Annual leave

16.1 This clause of the award supplements the provisions of the NES which deal with annual leave. Annual leave does not apply to casual employees.

16.2 For the purposes of the provisions of the NES which deal with annual leave, a **shiftworker** is an afternoon or night shiftworker who is rostered to regularly work ordinary hours of work on Sundays and Public holidays.

### 16.3 Payment for annual leave

- (a) Instead of the base rate of pay as referred to in s.90(1) of the Act, an employee, prior to commencing a period of annual leave, will be paid the wages they would have received in respect of the ordinary time the employee would have worked had the employee not been on leave during the relevant period. **Provided that, subject to clause 16.3(c), the employee will not be entitled to any amount calculated by reference to clause 14—Penalty rates.**
- (b) In addition to the payment specified in clause 16.3(a), employees must be paid an annual leave loading of **17.5%**.
- (c) Where an employee would have received loadings, in accordance with clause 14—Penalty rates, had the employee not been on leave and such loadings would have entitled the employee to a greater amount than the loading of **17.5%**, then the employee will be paid the greater amount instead of the **17.5%** loading.

NOTE: Where an employee is receiving overaward payments such that the employee's base rate of pay is higher than the rate specified under this award, the employee is entitled to receive the higher rate while on a period of paid annual leave (see ss.16 and 90 of the Act).

### 16.4 Excessive leave

If an employer has genuinely tried to reach agreement with an employee as to the timing of taking annual leave, the employer can require the employee to take annual leave by giving at least four weeks' notice of the time when the leave is to be taken if:

- (a) at the time the direction is given, the employee has eight weeks or more of annual leave accrued; and
- (b) the amount of annual leave the employee is directed to take is less than, or equal to, a quarter of the amount of leave accrued.

### 16.5 Paid leave in advance of accrued entitlement

By agreement between an employer and an employee, a period of annual leave may be taken in advance of the entitlement accruing. Provided that if leave is taken in advance and the employment terminates before the entitlement has accrued the employer may make a corresponding deduction from any money due to the employee on termination.

### 16.6 Annual close-down

- (a) An employer may close down an enterprise or part of it for the purpose of allowing annual leave to all or the majority of the employees in the enterprise

or part concerned, provided that the employer gives at least one month's notice to the affected employees. The notice will advise employees of the commencement date and duration of the close-down.

- (b) An employer may close down for one or two periods. Where there is agreement between the employer and the majority of employees concerned, an employer may close down for more than two periods.

## **Schedule D—School-based Apprentices**

- D.1** This schedule applies to school-based apprentices. A school-based apprentice is a person who is undertaking an apprenticeship in accordance with this schedule while also undertaking a course of secondary education.
- D.2** A school-based apprenticeship may be undertaken in the trades covered by this award under a training agreement or contract of training for an apprentice declared or recognised by the relevant State or Territory authority.
- D.3** The relevant minimum wages for full-time junior and adult apprentices provided for in this award, calculated hourly, will apply to school-based apprentices for total hours worked including time deemed to be spent in off-the-job training.
- D.4** For the purposes of clause D.3, where an apprentice is a full-time school student, the time spent in off-the-job training for which the apprentice must be paid is 25% of the actual hours worked each week on-the-job. The wages paid for training time may be averaged over the semester or year.
- D.5** A school-based apprentice must be allowed, over the duration of the apprenticeship, the same amount of time to attend off-the-job training as an equivalent full-time apprentice.
- D.6** For the purposes of this schedule, off-the-job training is structured training delivered by a Registered Training Organisation separate from normal work duties or general supervised practice undertaken on the job.
- D.7** The duration of the apprenticeship must be as specified in the training agreement or contract for each apprentice but must not exceed six years.
- D.8** School-based apprentices progress through the relevant wage scale at the rate of 12 months progression for each two years of employment as an apprentice, or at the rate of competency based progression if provided for in this award.
- D.9** The apprentice wage scales are based on a standard full-time apprenticeship of four years (unless the apprenticeship is of three years duration), or stages of competency based progression if provided for in this award. The rate of progression reflects the average rate of skill acquisition expected from the typical combination of work and training for a school-based apprentice undertaking the applicable apprenticeship.
