Subject: On-Demand Delivery Services Award (AM2021/72)

Dear Associate

The Victorian Government's submission dated 10 August 2021 supported the view that questions about and scope of award coverage for on demand workers could be considered by the Commission. However, that submission did not seek to address technical matters.

Thank you for informing us of the mention on 1 December 2021 and the substantive hearing on 6 December 2021.

The Victorian Government will respectfully decline the opportunity to participate in the proceedings commencing on 6 December 2021, noting that the parties directly impacted and their representatives are best placed to make further submissions regarding the existing award coverage for the workers subject to the proceedings.

Kind regards
