Dear Kristen,

When I spoke of an Adelaide video-link, I was referring to a video-link from the **FWC Adelaide office**.

I am awaiting a response from the Adelaide FWC Registry, to ascertain if a hearing room is still available at this late stage. If one is, a hearing room will be booked for this matter and we will dial into that hearing room at the Adelaide FWC office via video-link. I hope that clarifies things.

I will let you know the outcome. If we cannot obtain a hearing room from the Adelaide FWC office, the alternative is to dial you in by telephone (e.g. your mobile number or your direct work number).

Thank you, Tahleah.

Morning Tahleah,

I have been informed that we don't have video linkup at our office, but we have the linkup at the FWC premises in Adelaide. I don't know if that makes a difference to my request but I considered that you should be aware of the situation.

Please let me know if I have to make any further request to the FWC in Adelaide. Appreciate your assistance with this matter
