**C2019/5255 – Section 157 Proceeding**

1. This submission is made in response to the Fair Work Commission (the '**Commission**') Decision of [2019] FWC 5934 on 27 August 2019 in respect of the Pharmacy Industry Award 2010 (the '**Pharmacy Award**').
2. The Decision expressed a provisional view at [13] that the Awards identified at Attachment A of the decision should be referred to a separate Full Bench, that would consider the Awards outlined at [10] as a priority, once the Educational Services (Teachers) Award 2010 (the '**Teacher's Award**') work value application had been determined.
3. In general, the Pharmacy Guild of Australia (the '**Guild**') does not object to this provisional view with the exception of the non-inclusion of the Pharmacy Award in the list at Attachment A.
4. The Pharmacy Award should be listed at Attachment A resulting from the [2019] FWCFB 3949 decision, whilst the Teacher's Award has been included at Attachment A which is still subject to an ongoing work value matter that will determine the commencement date of the matter.
5. The Guild submits that the Pharmacy Award should be listed in Attachment A and would be the only award of interest to the Guild.
