Dear Associates

We refer to the direction that the parties have discussions to attempt to narrow the further issues to be determined in Stage 3 and report back to the Full Bench by 5pm today ("the direction").

The parties have conferred and propose the report back to the Full Bench on the outcome of discussions between the union and employer parties directed to narrowing the issues should be further deferred until such time as those parties have had an opportunity to consider the respective responses to Background Document 10 and undertake further discussions. The responses to Background Document 10 are due to be filed today. While there have been discussions to date between some of the relevant parties, discussions are not finalised and would be assisted by the detail to be provided in the parties' responses to Background Document 10. Accordingly, the parties propose an extension of time for compliance with the direction to 5pm on 24 March 2023.

Regards
