31. CONSULTATION

31.1 Consultation regarding major workplace change

SCCBH to notify

- (a) Where SCCBH has made a definite decision to introduce major changes in production, program, organisation, structure or technology that are likely to have significant effects on employees, SCCBH must notify the employees who may be affected by the proposed changes and their representatives, if any, which may be the union.
- (b) Significant effects include termination of employment; major changes in the composition, operation or size of SCCBH's workforce or in the skills required; the elimination or diminution of job opportunities, promotion opportunities or job tenure; the alteration of hours of work; the need for retraining or transfer of

employees to other work or locations; and the restructuring of jobs. Provided that where this Agreement makes provision for alteration of any of these matters an alteration is deemed not to have significant effect.

31.2 SCCBH to discuss change

- (a) SCCBH must discuss with the employees affected and their representatives, if any, the introduction of the changes referred to in clause 31.1, the effects the changes are likely to have on employees and measures to avert or mitigate the adverse effects of such changes on employees and must give prompt consideration to matters raised by the employees and/or their representatives in relation to the changes.
- (b) The discussions must commence as early as practicable after a definite decision has been made by SCCBH to make the changes referred to in clause 31.1.
- (c) For the purposes of such discussion, SCCBH must provide in writing to the employees concerned and their representatives, if any, which may be the union, all relevant information about the changes including the nature of the changes proposed, the expected effects of the changes on employees and any other matters likely to affect employees provided that SCCBH is not required to disclose confidential information the disclosure of which would be contrary to SCCBH's interests.

31.3. Consultation regarding changes to regular rosters or ordinary hours of work

- (a) Where SCCBH proposes to change an employee's regular roster or ordinary hours of work, SCCBH must:
 - (i) provide information about the change to the employee or employees affected; and
 - (ii) invite the employee or employees affected to give their views about the impact of the change, including any impact in relation to their family or caring responsibilities; and
 - (iii) consider any views given by employees about the impact of the change.
- (b) SCCBH or an employee may appoint a representative for the purposes of this clause.
 - (i) The identity of the representative must be advised to the other party.
- (c) The obligations under sub-clause (a) shall be read in conjunction with the other agreement provisions concerning the scheduling of work and notice requirement, including but not limited to Clause 14 - Hours and Clause 15 - Rosters.
- (d) This clause is to be read in conjunction with other provisions in this Agreement concerning the scheduling of work and notice requirements.
- (e) The requirement to consult under this clause does not apply where an employee has irregular, sporadic or unpredictable working hours.

32. REDUNDANCY

- 32.1 For the purposes of this clause, "continuous service" shall be interpreted in the same manner as "service of a worker" is interpreted in the *Long Service Leave Act 1955*

(NSW) as at the date this Agreement comes into operation. Periods of leave without pay, including parental leave without pay, do not break the continuity of service of an employee but are not to be taken into account in calculating length of service for the purposes of this clause.

32.2 Redundancy occurs where SCCBH has made a definite decision that SCCBH no longer wishes the job the employee has been doing to be done by anyone and this is not due to the ordinary and customary turnover of labour.

32.3 Unless the FWC subsequently orders otherwise pursuant to sub-clause 32.4, where the employment of an employee is to be terminated for the reason set out in sub-clause 32.2, SCCBH shall pay, in addition to other payments due to that employee, the following retrenchment pay in respect of the following continuous periods of service:

(a) Where the employee is under 45 years of age, SCCBH shall pay the employee in accordance with the following scale:

Minimum Years of Service	Retrenchment Pay
Less than 1 year	Nil
1 year and less than 2 years	4 weeks' pay
2 years and less than 3 years	7 weeks' pay
3 years and less than 4 years	10 weeks' pay
4 years and less than 5 years	12 weeks' pay
5 years and less than 6 years	14 weeks' pay
6 years and over	16 weeks' pay.

(b) Where the employee is 45 years of age or over, SCCBH shall pay the employee in accordance with the following scale:

Minimum Years of Service	Retrenchment Pay
Less than 1 year	Nil
1 year and less than 2 years	5 weeks' pay
2 years and less than 3 years	8.75 weeks' pay
3 years and less than 4 years	12.5 weeks' pay
4 years and less than 5 years	15 weeks' pay
5 years and less than 6 years	17.5 weeks' pay
6 years and over	20 weeks' pay

(c) "Weeks' pay" means the rate of pay for the employee concerned at the date of termination, and shall include in addition to the ordinary pay any over-agreement payments and the following, if applicable:

- (i) shift and weekend penalties as prescribed in clause 18 - Shift and Weekend Work;
- (ii) broken shift allowance as prescribed in clause 14.6 - Broken Shifts;
- (iii) climatic and isolation allowances as prescribed in clause 20.9 - Climatic and Isolation Allowance.

32.4 Subject to an application by SCCBH and further order of the FWC, SCCBH may pay a lesser amount (or no amount) of retrenchment pay than that contained in sub-clause 32.3. The FWC shall have regard to such financial and other resources of SCCBH as the FWC thinks relevant, and the probable effect paying the amount of retrenchment pay in sub-clause 32.3 will have on SCCBH. Provided that where a Deputy Director of Nursing or Assistant Director of Nursing has their position made redundant and they are offered an alternative position at a lower rate of pay which they do not accept, they

shall be paid the full entitlement contained in sub-clause 32.3 and SCCBH may not make application to the FWC under this sub-clause.

33. DISCIPLINARY MATTERS

- 33.1. In all dealings with employees, which may lead to a disciplinary outcome, including termination, SCCBH commits to the principles of procedural fairness, natural justice and the right to a support person.
- 33.2 An employee required to attend a disciplinary meeting will be entitled to ordinary pay for the duration of meeting.

34 TERMINATION OF EMPLOYMENT

- 34.1 Prior to reaching any decision to terminate the employment of an employee on grounds other than would justify summary dismissal, SCCBH will:
- (a) inform the employee that the termination of their employment is being considered;
 - (b) advise the employee of the reasons for termination; and
 - (c) provide the employee with an opportunity to show cause why their employment should not be terminated.
- 34.2 An employee shall be given reasonable time to respond, and shall be provided with details of any relevant material. Where a meeting is held with the employee, the employee is entitled to have a support person present. The support person may be e.g. a co-worker, a workplace union delegate, an officer of the union, a family member, or any other person.
- 34.3 Subject to subclauses 34.4 to 34.9, employment, other than the employment of a casual, will be terminated by SCCBH or the employee only on the provision of the applicable notice as set out in clause 34.10, or by the payment by SCCBH, or forfeiture by the employee, of wages in lieu of notice.
- 34.4 SCCBH may, without notice, summarily dismiss an employee at any time for serious misconduct or wilful disobedience. Payment is up to the time of dismissal only.
- 34.5 Provided that employment may be terminated by part of the period of notice specified, and part payment or part forfeiture, in lieu of the period of notice specified.
- 34.6 In respect of any forfeiture by the employee of wages in lieu of notice, the employee may at any time authorise SCCBH to deduct from his or her wages payable up to, or on termination, relevant wages payable in lieu of notice. Should SCCBH not receive such an authorisation from the employee and make the applicable deduction in whole, SCCBH may forthwith recover from the employee such outstanding payment or sum or amount payable or owing by the employee pursuant to this clause in any court of competent jurisdiction.
- 34.7 The requirement for an employee to provide notice under this clause shall not apply in circumstances where the employee is entitled to bring the employment to an end because of the actions of SCCBH, for example, because of a repudiatory breach of the employment contract by SCCBH.
- 34.8 In respect of the requirement for SCCBH to provide or pay notice under this clause, nothing in this clause shall exclude the application of Subdivision C of Division 11 of Part 2-2 of the Fair Work Act 2009.

34.9 Except in the case of summary dismissal, it is the intention of this clause that both SCCBH and the employee provide appropriate notice upon termination, or pay or forfeit such notice in wages. The application and interpretation of this clause shall give this intention full effect.

34.10 Notice of termination

(a)	(i)	Period of Continuous Service	<u>Minimum Period of Notice</u>
		1 year or less	1 week
		More than 1 year but not more than 3 years	2 weeks

(c)	Casuals are to be given notice to the end of the current shift worked.		

34.11 SCCBH will give the employee a statement signed by SCCBH stating the period of employment and when the employment was terminated if the employee requests.

34.12 **Abandonment of Employment**

Where an employee is absent from work for a continuous period of three working days without the consent of SCCBH, and without notification to SCCBH, SCCBH shall be entitled to inform the employee by written correspondence that unless the employee provides a satisfactory explanation for her or his absence within three days of the receipt of such a request, the employee will be considered to have abandoned employment. If the employee's employment is terminated at SCCBH's initiative, SCCBH shall provide notice of termination or provide payment in lieu of notice in accordance with sub-clause 34.10.

35. LABOUR FLEXIBILITY AND MIXED FUNCTIONS

35.1 SCCBH may direct an employee to carry out such duties as are within the limits of the employee's skill, competence and training.

35.2 SCCBH may direct an employee to carry out such duties and use such tools and equipment as may be required, provided the employee possesses the relevant skills and competence to perform such tasks. Where the employee does not possess such skills and competence, appropriate training shall be facilitated.

35.3 Any direction issued by SCCBH pursuant to sub-clauses 35.1 and/or 35.2 shall be consistent with SCCBH's responsibility to provide a safe and healthy working environment for employees, and SCCBH's duty of care to residents and/or clients.

35.4 Where SCCBH has decided there is no longer a requirement for a Deputy Director of Nursing or an Assistant Director of Nursing to be appointed in a workplace, SCCBH shall ensure that the workload previously performed by that nurse manager is adequately allocated to other management employees, and that the workloads of all other nurses on the nursing care roster within that workplace will remain consistent with their substantive role, duties and classifications.

- (a) An employee can elect to sacrifice a portion of salary to superannuation. Such election must be made prior to the commencement of the period of service to which the earnings relate and be in accordance with relevant legislation.
- (b) Salary sacrifice to superannuation means the option of making additional superannuation contributions by electing to sacrifice a portion of the gross earnings (pre-tax dollars). This will give the effect of reducing the taxable income by the amount for salary sacrifice.
- (c) SCCBH will not use any amount that is salary sacrificed by an employee to count towards SCCBH's obligation to pay contributions under the SG legislation.

2. CLERICAL & ADMINISTRATIVE EMPLOYEES

2.1 Grading Guidelines

- (a) The classification criteria in this schedule provide guidelines to determine the appropriate classification level of persons employed pursuant to this agreement. In determining the appropriate level, consideration must be given to both the characteristics and typical duties/skills.
- (b) The characteristics are the primary guide to classification as they indicate the level of basic knowledge, comprehension of issues, problems and procedures required and the level of supervision or accountability of the position. The totality of the characteristics must be read as a whole to obtain a clear understanding of the essential features of any particular level and the competency required.
- (c) The typical duties/skills are a non-exhaustive list of duties/skills that may be comprehended within the particular level. They are an indicative guide only and at any particular level employees may be expected to undertake duties of any level lower than their own. Employees at any particular level may perform/utilise one such duty/skill, or many of them, depending on the particular work allocated.
- (d) The key issue to be looked at in properly classifying an employee is the level of competency and skill that the employee is required to exercise in the work they perform, not the duties they perform per se. It will be noted that some typical duties/skills appear in more than one level, however when assigning a classification to an employee this needs to be done by reference to the specific characteristics of the level. For example, whilst word processing and copy typing are first specifically mentioned at Level 2 in terms of typical duty/skill, it does not mean that as soon as an employee operates a word processor or typewriter they automatically become Level 2. They would achieve a Level 2 classification when they have achieved the level of skill and competency envisaged by the characteristics and the relevant indicative duty(ies)/skill(s) of a Level 2. Level 1 in this structure is to be viewed as the level at which employees learn and gain competence in the basic clerical skills required by SCCBH, which in most cases would lead to progression through the classification structure as their competency and skills increase and are utilised.

SWS wage assessment agreement means the document in the form required by the Department of Social Services that records the employee's productive capacity and agreed wage rate

C.3 Eligibility criteria

C.3.1 Employees covered by this schedule will be those who are unable to perform the range of duties to the competence level required within the class of work for which the employee is engaged under this Agreement, because of the effects of a disability on their productive capacity and who meet the impairment criteria for receipt of a disability support pension.

C.3.2 This schedule does not apply to any existing employee who has a claim against SCCBH which is subject to the provisions of workers compensation legislation or any provision of this Agreement relating to the rehabilitation of employees who are injured in the course of their employment.

C.4 Supported wage rates

C.4.1 Employees to whom this schedule applies will be paid the applicable percentage of the relevant minimum wage according to the following schedule:

Assessed capacity (clause C5)	Relevant minimum wage
%	%
10	10
20	20
30	30
40	40
50	50

Assessed capacity (clause C5)	Relevant minimum wage
60	60
70	70
80	80
90	90

C.4.2 Provided that the minimum amount payable must be not less than \$90 per week.

C.4.3 Where an employee's assessed capacity is 10%, they must receive a high degree of assistance and support.

C.5 Assessment of capacity

C.5.1 For the purpose of establishing the percentage of the relevant minimum wage, the productive capacity of the employee will be assessed in accordance with the Supported Wage System by an approved assessor, having consulted SCCBH and the employee and, if the employee so desires, a union which the employee is eligible to join.

C.5.2 All assessments made under this schedule must be documented in an SWS wage assessment agreement, and retained by SCCBH as a time and wages record in accordance with the Act.

C.6 Lodgement of SWS wage assessment agreement

C.6.1 All SWS wage assessment agreements under the conditions of this schedule, including the appropriate percentage of the relevant minimum wage to be paid to the employee, must be lodged by SCCBH with the FWC.

C.6.2 All SWS wage assessment agreements (SWSA) must be agreed and signed by the employee and SCCBH. Where a union, party to this agreement, is not a party to the SWSA, the assessment will be referred by the FWC to the union by certified mail and the SWSA will take effect unless an objection is notified to the FWC within 10 working days.

C.7 Review of assessment

The assessment of the applicable percentage should be subject to annual or more frequent review on the basis of a reasonable request for such a review. The process of review must be in accordance with the procedures for assessing capacity under the supported wage system.

C.8 Other terms and conditions of employment

Where an assessment has been made, the applicable percentage will apply to the relevant minimum wage only. Employees covered by the provisions of this schedule will be entitled to the same terms and conditions of employment as other workers covered by this Agreement on a pro rata basis.

C.9 Workplace adjustment

Should SCCBH wish to employ a person under the provisions of this schedule SCCBH must take reasonable steps to make changes in the workplace to enhance the employee's capacity to do the job. Changes may involve re-design of job duties, working time arrangements and work organisation in consultation with other workers in the area.

C.10 Trial period

C.10.1 In order for an adequate assessment of the employee's capacity to be made, SCCBH may employ a person under the provisions of this schedule for a trial period not exceeding 12 weeks, except that in some cases additional work adjustment time (not exceeding four weeks) may be needed.

C.10.2 During that trial period the assessment of capacity will be undertaken and the percentage of the relevant minimum wage for a continuing employment relationship will be determined.

C.10.3 The minimum amount payable to the employee during the trial period must be no less than \$90 per week.

C.10.4 Work trials should include induction or training as appropriate to the job being trialled.

C.10.5 Where SCCBH and the employee wish to establish a continuing employment relationship following the completion of the trial period, a further contract of employment will be entered into based on the outcome of assessment under clause C.5.
