Subject: NFF Wage Review submission extension request

Good morning,

Having recently received a substantial amount of late-term feedback from our Membership on our submissions to the Annual Wage Review, the NFF requests a brief extension on our submission date until Wednesday, 31 March. This should provide us with sufficient time to ensure all feedback can be adequately incorporated into our submission so as to better reflect the views of our Members.

Please let me know if this would be possible.

Kind regards,

Thomas Cullen
