To: The AMOD team

We refer to the Statement of His Honour Justice Ross of 3 March 2021 in which applications were invited from parties who wished to extend the operation of Schedule X in particular awards.

The Association of Professionals Engineers Scientists Managers (APESMA) wishes to extend the operation of Schedule X in the following awards:

- Airport Employees Award 2020;
- Architects Award 2020
- Professional Employees Award 2020
- State Government Agencies Award 2020

We confirm that the instructions in paragraph 12 of His Honour Justice Ross' decision of 3 March 2021 were that parties should make applications to the AMOD team by 4pm on Monday 22 March 2021. Unfortunately due to an oversight, we did not submit our applications prior to 4pm on 22 March 2021, and we now seek leave to submit applications for the 5 awards listed above.

We sincerely apologise for the inconvenience caused by the late submission of our applications which we will send in four emails immediately after this email.

Please do not hesitate to contact the writer on 0401 935 064 or at [manthony@professionalsaustralia.org.au](mailto:manthony@professionalsaustralia.org.au) should you have any queries regarding our four applications to extend Schedule X.
