Subject: AM2016/12 - Draft Orders [SEC=UNCLASSIFIED]

UNCLASSIFIED

Good morning Associate

Further to my email last week please find attached a draft order for the making of the Industry Award.

There are some technical issues around the termination of the enterprise awards that are being included in the industry award that we will address in our oral submissions today. As a result the draft orders are very basic.

If you have any questions or require further information please let me know.

Regards

Donna
