Dear Associate,

The Vice President directed us to provide an update today on discussions with interested 'parties'.

1. Our client has had multiple discussions with representatives of RRESA and we understand that they oppose the application in its current form.
2. We have been in contact with REEFA who are now represented by the WA Chamber of Commerce and Industry who are conferring with us further in relation to the application.
3. The ACTU have contacted us and indicated that the SDA have an interest in the application and they are organising a tele conference with us next week to discuss this further.

Please let me know if the Vice President requires any further information at this time.

Regards,

Nigel Ward
