Subject: Award review - Arts and Culture - Professionals Australia (video game workers not covered by the Professional Employees Award 2020)

You don't often get email from mbuchanan@professionalsaustralia.org.au. [Learn why this is important](#)

Dear Deputy President,

Further to the supplementary submission filed by my union and which was published on 31 January 2024, I would like to indicate that it was not our intention to speak to those submissions.

I have read the further submissions by the Screen Producers Association (SPA).

It is our understanding that the current proceedings are concerned principally with the existing award coverage of those workers who work in the arts and arts related occupations. In our view, the development of suitable terms and conditions of employment which might apply will need to be the subject of further submissions and evidence.

Kind regards

Margaret Buchanan
